DO-IT-YOURSELF CREDIT REPAIR

INSTRUCTED SHAMECA TANKERSON
BY: WEALTH BUILDERS NETWORK, INC.

You see the advertisements in newspapers, on TV, and on the Internet. They all make the same claims: "Credit problems? No problem!" "We can erase your bad credit - 100% guaranteed." Do yourself a favor and save some money, too. Don't believe these statements. Only time, a conscious effort, and a personal debt repayment plan will improve your credit report.

This workshop will include:

- How you can improve your credit worthiness and legally dispute negative information on your report.
- How to obtain a free credit report and understand your credit rating.
