## WOMEN - OWNED BUSINESS CERTIFICATION

Instructed by: Tanya Hiple  
Women's Business Enterprise National Council

Women's Business Enterprise National Council (WBENC) is the nation's leading third-party certifier of women's business enterprises for the private sector and government identity. Certification is an important marketing tool for expanding your company's visibility among supplier diversity program and procurement offices. This workshop will provide clear and concise information about the processes, benefits and requirements to become a women owned business certified through the WBENC.

The workshop will cover:

- How to pursue significant revenue for your business by marketing and selling.
- Information that can help you position your company for contract opportunities with Fortune 100 companies.
- How to place your business on the right track to increase revenue!
